Foreword

In this Phoenix is the story of one of our happy years spent at Denton. As you slowly turn through this book, many cherished memories of basket-ball games, club activities, class parties, Junior-Senior plays, and other activities will be recalled. May we always remember these things, and especially our teachers who have so patiently stood beside us everyday of the year. We appreciate their efforts very much.

We, the staff, present this book to you in hopes that it will bring much joy to you in the years to come.

Dedication

In grateful recognition for his cooperative spirit toward the student body for many years, we, the staff of '54, humbly dedicate this Phoenix to a friend of all,

Class History

As I look back upon our high school years, I recall fifty-seven excited green freshmen entering Denton High in the fall of '50. We were looking forward to the next four years with great anticipation. We realized that entering the ninth grade was an important step in our lives.

Realizing the importance of becoming established as high school students, and being respected accordingly, we decided to elect a class president to be our guiding light. We chose Don Rea Grubb, and with the help of our sponsor, Mr. A. M. Snider, we had a very successful and enjoyable year.

Our sophomore year found our class slightly diminished. Those of us who did return, however, felt a little "bigger" because now we were called "upper-classmen." We elected Sue Cole, president, and Mr. George Lyndon, Sponsor. This year found us dissecting frogs. By the end of the year, we felt that we were really "in", especially when some of us were chosen waiters and waitresses at the Junior-Senior Banquet.

Our Junior year came, bringing with it the participation in many activities and club initiation of which we had dreamed for so long. Benson Futrell, Jr., and Mrs. Betty Benton helped us to enjoy these many activities and accomplish many worth-while things. First of all came the exciting event of Beta club tapping. Nine of the most outstanding members were invited to join. Next, we exhibited our talents in the class play, "Thank You, Mr. Parker." Then we received our class rings which we displayed so proudly. One of the highlights of the year was our banquet, when we paved the way for the seniors and faculty to our "Garden of Friendship."

The year soon came to a close, and we watched our superiors walk that final mile to receive their diplomas. Our hearts were filled with pride and nervous excitement as we realized that now we stood in their places.

Now we have reached the climax of our four years at Denton High School. We have been but a small twenty-five. Peggy Oakley as our class president and Miss Colleen Story, our sponsor guided us through many memorable events.

We served on the Dentonian and Phoenix staff, we played football and basketball, and experienced many happy occasions that will never be forgotten.

We, the Seniors of 54, wish to express our thanks and gratitude to Miss Story, our senior sponsor, for the wonderful way she has helped us through this last year. We would also like to say "Thanks" to the faculty, to Mr. Jones, and to Mr. Huss, our former principal for making these last years such memorable ones.

Class Historian

Last Will And Testament

We, the Senior Class of '54' of Denton High School, considering with certainty our graduation, do make and publish this last will and testament.

To Mr. Jones, we will high school students that won't go down town, and boys who don't smoke in their cars.

To Mr. Rufty, we wish luck on the radio that he is making.

To Mr. Klutzz, we will a new set of tools for the Agriculture building.

To Miss Hoover, we will a class that can learn Bookkeeping.

To Mrs. Copple, we will a Glee Club that can meet twice a week.

To Mr. Huffman, we will a set of back teeth, so he won't have such a hard time chewing gum.

To Mr. Evans, we will a football team.

To Mrs. Smith, we will a quiet library.

To Mr. Snider, we will a secretary who can keep up with all the grades each student makes.

To Miss Story, we will a man in an army uniform.

To Mr. A. R. Snider, we will a clean high school building.

To Mrs. Garner, we will new equipment for the Home Economics building.

To the cafeteria workers, we will all new equipment for the new lunch room.

To the Junior Class, we bequeath our motto, "United, We Stand; Divided, We fall," in hopes that they will always remain united.

- I, Bobby Ann Sexton, will my witty ways to Nan Morris.

I do hereby declare this to be our last will and Testament, and do order that each article be executed in the stated order. Signed by Patricia Morris, witnessed by Miss Story, and sealed by the Editor of the Phoenix.

Class Prophecy

I am Marching Time-----Prepare yourself for a trip into the future. It is 1974--twenty years have passed since the class of '54' graduated.

First we will drive out to the Davidson County Airport, where we will board a T.W.A. 300-mile an hour Constellation to Hollywood. The pilot, Keith Hunt, prepares to take off with Adrena Garner as air stewardess, and Elsie Myers as air hostess. Among the passengers we find those delayed honeymooners, Linda and Don Peacock. Carol Jean and Bobby Williams are also among these. Oh yes, they have the triplets along.

It's twenty minutes later and we have arrived in Hollywood. I am very hungry, so I will go to that famous restaurant, owned by Betty Lou Allred and operated by Buren Skeen.

After an evening of relaxation at the home of two of Hollywood's most famous stars, Sue Cole and Bobbie Ann Sexton, I will go to the Golden Glove Boxing Matches. Tonight the world's Middle Weight Champion will be crowned. Norman "Red" Keith is favored to win. Virgil Pierce, Red's manager, has done a fine job.

Now we must leave Hollywood and return to Denton, where Wayne Ward is building a college for boys. Charles Loftin will do the construction work on the main office. Wayne is planning to buy all of his lumber from the Gilbert Futrell Lumber Company. Bobby Garner is there to count the lumber, so there will not be any mistakes.

Benson Futrell and Patricia Morris are now working together. Benson, with the help of his nurse, Peggy Oakley, is a great surgeon, but ever so often his hand slips, and the patient "kicks the bucket." This is where Patricia comes in-----The patient, "cold and stiff," goes to her to be embalmed. Patricia is known as "The Friendly Undertaker."

Ronald and Donald Hedrick, two young men with quiet and dignified manner, have become half owners of Coble Dairies, Inc.

Sunday morning I went to church. The speaker, Don Rea Grubb, a missionary returned from China, gave a very interesting talk.

This morning I visited dear ole Denton High School. As I passed the office I noticed Mr. Jones had hired a secretary. She is none other than Betty Jean Pierce. I strolled through the hall, and in the 1st room I found Betty Jane Smith teaching math. Farther on down the hall, I found Mildred Snider, who replaced Mr. A. M. Snider in the History Department. Next, I came to the "ole faithful classe de francais." Who should I see but Mademoiselle Story? Yes, she's still there, and still single--she had so many suitors she couldn't make up her mind, so she ended up not getting one. Poor thing!!!! She wanted to know what I had been doing for myself these twenty years. Me? Oh, I'm still walking nonchalantly around seeing what kind of mischief I can get into. Mr. Huffman always did say that would be my career. I must march on----Goodby!!

Class Poem

We bid you all a fond farewell,
With sadness in our hearts;
The reason for our sadness is
The time has come to part.

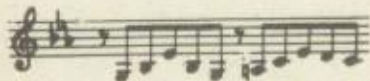

Throughout our years at Denton High,
We've shared our work and fun;
And even though our school is o'er,
Our tasks have just begun.

Without the help of ones we love,
We would not be this far;
But with our teachers as our guide,
We found our leading star.

We know now what we strived to learn---
The good from bad, the right from wrong;
May we apply the Golden Rule
Throughout our whole life long.

We wish for you, dear Juniors,
A wonderfully prosperous year
As you take the seats we held,
In the school we love so dear.

Linda Loftin Peacock
Class Poet

Class Song

(Tune: Auld Lang Syne)

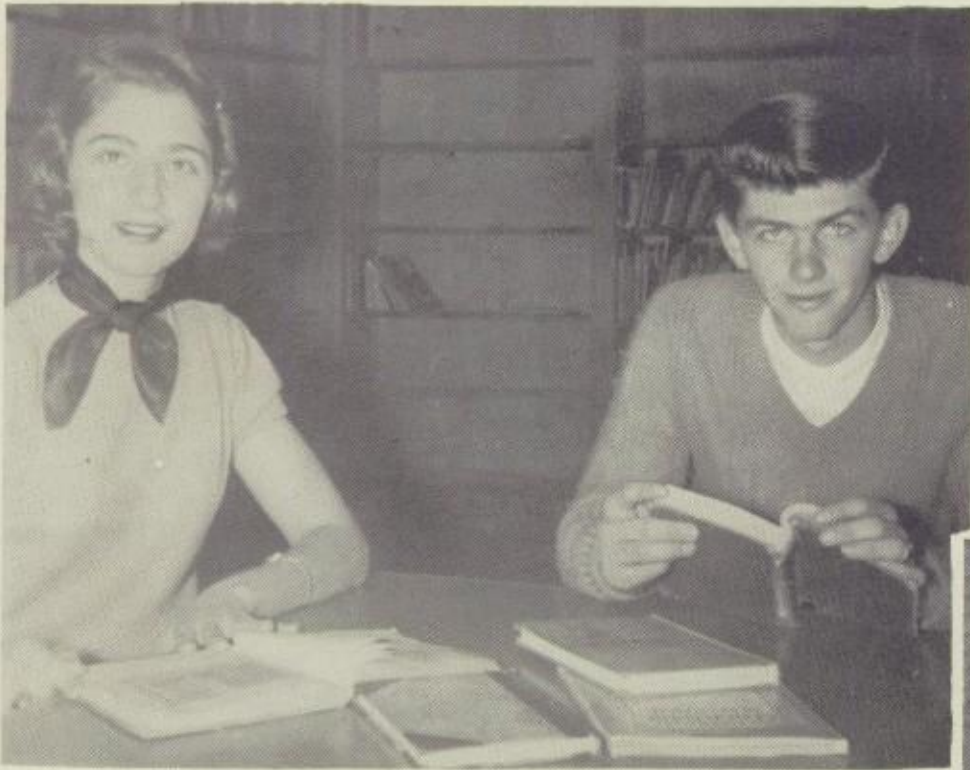

Now graduation time has come,
And we will have to part;
We say farewell to teachers dear,
With sadness in our hearts.

Through years of work and play, we've come
To be with you no more,
We wish much luck to you, dear friends,
From the class of fifty-four.
